Mrs Robert Worthy
Troup County Health Dept.
La Grange Ga.

Dear Mrs Troupe:

I wrote you on Sept. 8th, in an effort to assist an employee of mine to secure his birth certificate. He was born in La Grange Ga. May 23 1918.

You very kindly answered, and enclosed the necessary forms to have filled out, and instructions of information desired.

As a result I have secured the enclosed affidavit from his father who now lives in Akron Ohio, of his birth record, and the record of an insurance policy issued at the age of 5 years. Both these pieces of information properly signed by a notary public.

I am also enclosing Leonard Pearsons school diploma, from the 8th grade, and his certificate of award for perfect attendance.

I sincerely hope this is all the information needed to secure the birth certificate, as he is very anxious to go to work. Please accept my thanks for your cooperation and assistance, as I want to help my employees whenever possible.

Very Truly Yours

Eda Manley

I am enclosing the additional affidavit by his sister, as his dad signed his name spelled differently.
